FOR IMMEDIATE RELEASE

FULL FREEWAY CLOSURES SCHEDULED ON SR-110

GARDENA – The California Department of Transportation (Caltrans) will close all lanes of the southbound Harbor Freeway (SR-110), between Rosecrans Avenue and the San Diego Freeway (I-405) junction, nightly, Monday, November 21 and Tuesday, November 22, from midnight to 5 a.m., due to loop detector installation. Detours will be marked with portable changeable message boards to assist motorists.

Caltrans will also close the HOV lane and up to four regular use lanes from 149th Street to 190th Street on southbound SR-110, nightly, Sunday, November 20 through Tuesday, November 22, from 10 p.m. until 5 a.m. due to pavement replacement. At least one regular use lane will remain open to motorists.

Replacement of damaged concrete will lead to a smoother and longer lasting roadway. Peterson Chase is the contractor. This project is expected to complete spring 2006.
